

# Single & Successful

*"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you a hope and a future." Jeremiah 29:11*

- God wants you to be successful! Your success in life is not based on your marital status.
- You don't have to be married to be whole... you are already complete in Christ.

*"And ye are complete in him, which is the head of all principality and power." Col 2:10*

- Being in the will of God is a big key in being successful.

## Make yourself Valuable

- You should become so valuable that if you were to move, the people around you would miss you terribly and cry over your leaving!
- Don't sit in your setback, but do your part in God's comeback plan for your life!

## Don't Be Discouraged

*"Being confident of this very thing, that he which hath begun a good work in you will perform it until the day of Jesus Christ." Philippians 1:6*

## Make God Your Source

- True joy comes from God alone and not just from being married.
- God wants to be your total source of joy and security.
- It's better to be single and happy than married to the wrong one and be miserable.
- Purpose in your heart not to settle for second best, but wait for God's best no matter how long it takes.

## Am I Called To Be Single?

- If you want to be married, then you're not one of those called to be single.
- God wants to give you the desires of your heart, and if it's your heart's desire to be married, then you can stand on God's Word knowing that He will bring it to pass.
- Sometimes people want to remain single out of fear and not because of the Lord is leading them to be single.

*"Delight thyself also in the Lord; and he shall give thee the desires of thine heart." Psalm 37:4*

## Get Busy

- Get involved in your local church. You cannot out give God.
- Focus on being a blessing and what God has called you to be, and then everything else in your life - like getting married - will fall into place.

## Enjoy This Season

- To be able to enjoy this season, we must get into faith instead of being anxious.
- God is ordering your steps and preparing the right mate for you. So it's really important that you watch your words and agree with Him.

*"Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof." Proverbs 18:21*

- The only way something is going to change in our lives is by our faith!
- Sometimes we're waiting for that special place in our life to be happy, but we need to learn to enjoy every phase of our life now.

## There Are Advantages To Being Single

- What you make happen for others, God can make happen for you.

*"But seek ye first the kingdom of God and his righteousness; and all these things shall be added unto you." Matthew 6:33*

Make it your goal to be single and successful  
in this season of your life!
